

## HELP FOR HAPPIER FAMILIES

In today's society families are being threatened. Humanistic teaching is antagonistic to family values as set forth in the Bible. We believe it is the function of Christians to set forth Biblical values which elevate, rather than tear down, the home structure.

Bible classes on family topics are conducted from time to time. Pulpit preaching emphasizes these important truths. We also have other Bible helps and materials available which address these issues.

Many good materials are available in the church library for your use. Family enrichment series are very helpful.

Most importantly, we will teach your family their individual responsibilities, and help each of you to live up to God's rule for the best family life.

God wants us to have a happy home life. He designed the home for the good of man.

### Meet our Elders & Deacons

New Testament churches were organized with elders and deacons (Philippians 1:1). The elders are the overseers, pastors, or bishops (Acts 20:17, 28; 14:23; 1 Peter 5:1-4).

Deacons are the servants of the church, as the word itself implies. The seven men selected to "wait on tables," in Acts six, were thought to have been doing the work of deacons.

# Opportunities For Bible Study

## Our Bible Classes

We believe we ought to have great Bible Classes every Sunday morning and Wednesday evening.

We have dedicated teachers who truly believe the Bible is the inspired Word of God. They freely give of their time and energy to properly prepare for and teach their classes.

Children are started in their classes at about 10 to 12 months, and the classes are divided according to age groups. Much work is continually being done to make our Bible Classes the very best they can be. Visual aids and Bible helps are provided for an excellent presentation and study session. Individual participation is encouraged. Without question, of course, the Bible is the source of our teaching.

Yes, we do focus our study on the Bible itself. There is no time wasted on politics, book reports, craft work, or entertainment. We do not lose time by serving coffee and doughnuts.

Increasing Bible knowledge is our concern!

The Bible is our Textbook!

## Home Bible Studies

We are interested in helping all to have a better understanding of the Bible, God's inspired message to man. In order to accomplish this aim, we are available to teach home Bible studies when any person asks us or indicates that desire.

We have no rigid form or set rules for such classes, but allow the class to develop along lines of the interest of those who are involved. Like all of our classes, the Bible is our textbook.

Certainly, we recognize our own inability to fully comprehend everything revealed in Holy Scripture, but we do believe an honest investigation will reap great benefits for the honest student. After all, the Bible was given to mankind to use and to study. In the quietness of our homes is a wonderful atmosphere for genuine, dedicated searching of the scriptures.

Please let us know if we can help you in this way
